### 2018년 상반기 문제

#### Part 1 – Names

- Do you like your name?
- Yes, quite unique

Quite a lot, yes. My name is quite uncommon and I heard my parents spent lots of days to give me the best name, so I really like it.

**IELTS SPEAKING****2018년 상반기 문제****Part 1 – Names**

- Does your name have any special meaning?
- Yes, wisdom and grace

Yes, there are 2 Chinese characters meaning different things in my name, wisdom and grace. My parents gave me the name wishing I could be the wisest and most generous person.

**IELTS SPEAKING****2018년 상반기 문제****Part 1 – Names**

- Is there any tradition about naming babies?
- Examine baby's birthdays before naming

Well, Korean people actually give names to babies by examining their birthdays, but this tradition seems like changing nowadays. Parents name their babies in whatever style they wish to.

*Describe an occasion when you helped a person*

*You should say:*

**IELTS SPEAKING****2018년 상반기 문제**

**Describe an occasion when you helped a person**

**You should say:**

- What the situation was - at the immigration,  
Heathrow airport
- How you helped - translated, helped her to find  
a way out
- Who you helped - a lady who came to England  
to visit her daughter
- How you felt after giving help - reminded me of  
my first visit in England, good

**IELTS SPEAKING****2018년 상반기 문제****Part 2 sample answer**

To be honest, I don't help others that often. But a few years ago, I happened to help a lady when I visited England.

**IELTS SPEAKING****2018년 상반기 문제****Part 2 sample answer**

It happened at the immigration check, at Heathrow airport. I was standing in a queue, waiting for my turn, and the lady was standing right behind me. After I was finished, I heard an immigration officer asking for help for her, so I turned back and talked to the officer.

**IELTS SPEAKING****2018년 상반기 문제****Part 2 sample answer**

Apparently the lady couldn't really speak English so she needed someone to translate some words for her, so I did it for her. She came to England to visit her daughter and her grandson, so I translated her then she got out. As it was her first visit to England, she kind of struggled after that, so I walked with her to luggage claim and to way out.

**IELTS SPEAKING****2018년 상반기 문제****Part 2 sample answer**

Actually I helped her because I experienced the same thing when I first came to the UK. I had to stay in the immigration office for a while because I couldn't speak English. So at that time, I kind of decided to help her as it reminded me of my first day.

**IELTS SPEAKING****2018년 상반기 문제****Part 2 sample answer**

Also it felt quite good. When she met her daughter, they thanked me so many times. Since she could meet her family well, I felt quite happy, too. So I think I did well on that day.

**IELTS SPEAKING****2018년 상반기 문제****Part 3 – helping others**

- Do you like helping others?
- Do you think people are less willing to help others these days, compared to the past?
- How can charitable organisations help people?

Yes, of course. I tend to help someone in need, like at work or in public places, and I also participate in voluntary works once or twice a month. It always makes me feel really good.

**IELTS SPEAKING****2018년 상반기 문제****Part 3 – helping others**

## 2018년 상반기 문제

## Part 3 – helping others

- Do you think people are less willing to help others these days, compared to the past?

I think it's about the same in general, but when it comes to neighbourhood, people are definitely less willing to help others. These days, people don't even get to see their neighbours so they wouldn't think they should help each other.

**IELTS SPEAKING****2018년 상반기 문제****Part 3 – helping others**

- How can charitable organisations help people?
  - Fundraising; give financial supports to people who need help
  - Give practical help
  - Organise events or campaigns

**IELTS SPEAKING****2018년 상반기 문제****Part 3 – helping others**

- How can charitable organisations help people?

Well, they raise money from people and use that money to provide necessities for people who need help, and they send volunteers to help people in need. Also they organise some campaigns to raise people's awareness.
