Some people think that it is more beneficial to take part in sports which are played in teams, like football, while other people think that taking part in individual sports is better, like swimming or tennis. Discuss both views and give your own opinion.

IELTS WRITING**Playing team sports is more beneficial****1) Players can learn the value of teamwork**

- by participating in playing team sports, players can cultivate and improve team-working skill. They can learn how important teamwork is and naturally learn how to cooperate with other players. Players can also feel a sense of belonging.

IELTS WRITING

Playing team sports is more beneficial**2) Players can develop social interaction skills**

- playing sports in a team enables people to improve social interaction skills as it involves teamwork. Also they can learn to appreciate different abilities of other players.

IELTS WRITING**Playing individual sports is more beneficial****1) A sense of achievement**

- there is only one player who does everything from preparation to playing sports and the player can feel a greater sense of achievement when they play sports or achieve their goals.

IELTS WRITING

Playing individual sports is more beneficial**2) Players can find out individual capabilities**

- playing individual sports means that individuals can identify their talents and cultivate their capabilities. They can constantly improve their skills while playing sports.

People living in large cities today face many problems in their everyday lives. What are these problems?
Should governments encourage people to move to smaller regional towns?

IELTS WRITING**What are problems?****1) Traffic congestion**

- as most people in large cities own private vehicles, the traffic congestion worsens nowadays.

IELTS WRITING**What are problems?****2) Increasing crime issues**

- it is undeniable that major crimes such as terrorism are targeting big cities.

IELTS WRITING**What are problems?****3) More expensive living costs**

- nowadays, living costs in world's major cities are increasing hugely and this problem can create social gap between the rich and poor.

IELTS WRITING

Should governments encourage people to move to smaller regional towns?

Governments should encourage people to move out from the big cities

- in order to solve existing problems in cities; if people move to smaller areas, traffic congestions or overcrowding issues would be alleviated in big cities.

IELTS WRITING

Should governments encourage people to move to smaller regional towns?

Governments should not encourage people to move out from the big cities

- people's convenient life would not be guaranteed;
people prefer to live in cities due to some reasons such as jobs, facilities, and so on, but if they have to move into smaller towns, they would not have such benefits and face inconvenience.

Research shows that business meeting and business training are increasingly taking place online. Do the advantages of this development outweigh the disadvantages?

IELTS WRITING**Advantages of this trend****1) Time and cost efficient method**

- Video conferencing or online job training can be conducted at any time of the day. People who have to attend meetings do not have to travel far and it saves time and money.

IELTS WRITING

Advantages of this trend**2) Easy communication**

- People can use video conferencing to communicate with anyone and can also use other tools to enhance understanding such as text message, file sharing, conference recording, and so on.

IELTS WRITING**Disadvantages of this trend****1) Lack of personal interaction**

- Some meetings require a personal touch to be successful. Online conferencing or job training can be less personal than face-to-face meetings

IELTS WRITING**Disadvantages of this trend****2) Technical problems**

- Technical difficulties can occur from software, hardware or network failure. On some occasions, the absence of technical support personnel creates difficulty for participants who are unfamiliar with the technical concepts.
