Well, I don't have much preference on the weather, but I'd say I quite like warm weather with nice gentle breeze. I don't mean the hot one, just warm and sunny weather.

IELTS SPEAKING**2018년 상반기 문제****Part 2 sample answer**

It's quite common to experience this kind of weather in spring or autumn in Korea. The only difference between those seasons is probably temperature. I prefer weather in autumn because it's cooler.

IELTS SPEAKING**2018년 상반기 문제****Part 2 sample answer**

When the weather is warm and sunny, I normally go outside home. I don't want the nice weather to get wasted, so I usually meet my friends and hang around with them. Sometimes I visit parks to chill.

IELTS SPEAKING**2018년 상반기 문제****Part 2 sample answer**

I like this kind of weather because I really don't like the extreme weather. Actually in Korea, the weather in summer and winter is quite extreme and I really hate hot or cold weather. It just makes me feel really tired and I can't really stand on them.

IELTS SPEAKING**2018년 상반기 문제****Part 2 sample answer**

Also when the weather is gentle, I don't get sick or feel depressed. It's really annoying when the weather is extreme as I always get sick. I normally feel great when the weather is good. So I'm looking forward to this autumn to experience this kind of weather.

People often wear short sleeves and shorts. Actually summer in Korea is boiling hot, so everyone wears something which can cool them down a bit. Sleeveless tops and flip-flops are also popular in summer.

Part 3 – Weather

- **What types of weather are suitable for outdoor activities?**

When the weather is pleasant and cool, I guess.

If it's rainy or snowy, it's impossible to do outdoor activities. Also when it's too hot or cold, it's not a good idea to do outdoor activities.
