In today's world of advanced science and technology, we still greatly value our artists such as musicians, painters and writers. What can arts tell us about life that science and technology cannot?

IELTS WRITING

What can art tell us about the life?

- Concepts such as feelings, emotions, and inspiration which come from arts

People feel various emotions and understand intentions of artists by seeing or listening to different artworks whereas science and technology cannot offer these kinds of concepts due to its practicality.

IELTS WRITING

What can art tell us about the life?

- **Arts represent cultural values of a nation**

People learn about history, traditions and culture through literatures, songs and paintings made by artists which represents great cultural value as well as providing entertainment to audiences.

IELTS WRITING**What can art tell us about the life?**

- **Arts show cultural identity of a nation**

Arts act as a distinction between different nations and regions. This means that previous culture and custom can be passed down through artworks and it contributes to cultural diversity of the world as well as making respective culture unique.
