2018년 상반기 문제

Part 1 – Exercise

- Do you like extreme sports?
 - Yes; challengeable, feel good
 - No; scared of sth, too scary

No, definitely not. Well, I'm scared of height and water, so I don't even have any intention to try them. It's too scary for me.

2018년 상반기 문제

Part 1 – Exercise

- Do you think children should play sports regularly?
 - Good for their physical development
 - Can develop various skills

I think it'd be helpful if they play sports regularly as it will help them to grow stronger and taller. Also, if they play in team sports, they can also develop their social interaction skills.

2018년 상반기 문제

Part 2 sample answer

Well, I'm going to talk about Yoon Sung-Bin, a Korean skeleton player. He became famous after he won a gold medal in Pyeong-Chang Olympic 2018.

2018년 상반기 문제

Part 2 sample answer

Obviously I saw his matches during the Olympic period. I couldn't go to the real field but I watched all the matches on TV. I'm sure his matches were really famous among Korean people.

2018년 상반기 문제

Part 2 sample answer

As I said, in Pyeong-Chang Olympic Games, he won a gold medal in skeleton. It was first skeleton medal in Asian history, and he became famous instantly. Lots of broadcasting stations from all over the world interviewed him.

2018년 상반기 문제

Part 2 sample answer

I think he got famous because he was wearing Iron Man helmet at first. Whenever he plays in a match, he wore this eye-catching Iron Man helmet. The design was very unique compared to other players' ones and he looked like a real Iron Man in matches.

2018년 상반기 문제

Part 2 sample answer

Also as he's the first Asian medalist in skeleton, lots of people thought he's amazing. I heard in his interview that there weren't many facilities for him to practice in Korea but he overcame all difficulties. His successful story made him famous world-widely. I hope he does well in his upcoming competitions in the future.

 - Yes; students can relieve stress by doing physical activities
 - No; there are more important subjects

2018년 상반기 문제

Part 3 – playing sports/taking exercise

- Do you think physical education is necessary?
Why?

Well, yes. It seems like having lessons for physical education is a way of refreshing students' minds. They can learn how to play some sports, cooperate in a team, and get rid of stress.

2018년 상반기 문제

Part 3 – playing sports/taking exercise

- How do you think physical classes affect children's development?
 - They can grow stronger
 - They can keep themselves fit
 - Interacting with friends while playing sports would be helpful

2018년 상반기 문제

Part 3 – playing sports/taking exercise

- How do you think physical classes affect children's development?

Obviously children will grow stronger and taller as they stretch and move their muscles while attending physical classes. Also they would be developed emotionally as well because they get to play sports with their friends.

2018년 상반기 문제

Part 3 – playing sports/taking exercise

- Why do some people don't like watching sports games?
 - They don't know the rules
 - They don't like sports in general
 - It's not as interesting as watching it in stadiums

2018년 상반기 문제

Part 3 – playing sports/taking exercise

- Why do some people don't like watching sports games?

Probably because they aren't fond of watching sports matches. Some people just don't like it since they think it's boring. And maybe because they don't know rules. If they don't understand, they wouldn't feel it interesting.
