IELTS WRITING

2018년 6월 2일 문제

Nowadays, international tourism is the biggest industry in the world. Unfortunately, international tourism creates tension rather than understanding between people from different cultures. To what extent do you agree or disagree?

IELTS WRITING

Agree – international tourism creates tension rather than understanding between people from different cultures

- **Cultural difference**

In every country, unique culture is shown in local people's habits, languages, and costumes, but tourists may find it too difficult to understand difference.

IELTS WRITING

Agree – international tourism creates tension rather than understanding between people from different cultures

- **Language barriers and people's gestures in different regions may cause conflicts**

It is difficult for both local people and tourists to understand each other precisely due to language barrier or people's actions. It may result in conflicts due to difference between cultures.

IELTS WRITING

Disagree – people's understanding between different cultures may be enhanced by travelling overseas.

- **International tourism makes people be open-minded**

People can experience totally different culture by travelling abroad. It would make them broaden their horizon as well as experiencing something new.

IELTS WRITING

Disagree – people's understanding between different cultures may be enhanced by travelling overseas.

- **People may become more interested in other cultures**

By experiencing different cultures, tourists may understand other cultures more precisely and enjoy learning about it even more. It would lead them to understand better about other countries' cultures.

IELTS WRITING**Essay 구성**

1. Introduction (General + Thesis statement)
2. Main body 1
3. Main body 2
4. Conclusion

IELTS WRITING

2018년 6월 2일 문제 Sample answer**Introduction**

It is apparent that many people travel abroad and this factor contributes in the growth of international tourism industry in the world. However, people may not understand different cultures and create tension by travelling overseas. I strongly disagree with this view as I believe that travelling overseas enhances people's understanding of cultures. (52 words)

IELTS WRITING

2018년 6월 2일 문제 Sample answer**Main body 1**

To begin with, international tourism may lead people to form tension between different cultures. First of all, in every country, unique culture is shown in local people's habits, languages, and costumes, but tourists may find it too difficult to understand difference. It may make people be prejudiced about a particular culture.

IELTS WRITING

2018년 6월 2일 문제 Sample answer**Main body 1**

In addition, Language barriers and people's gestures in different regions may cause conflicts. It is difficult for both local people and tourists to understand each other accurately due to language barrier or people's actions. It may result in conflicts due to difference between cultures. (95 words)

IELTS WRITING

2018년 6월 2일 문제 Sample answer**Main body 2**

However, I believe that people's understanding about cultures can be boosted by travelling overseas. First and foremost, International tourism makes people be open-minded as people can experience totally different culture by travelling abroad. It would make them broaden their horizons as well as experiencing something new.

IELTS WRITING

2018년 6월 2일 문제 Sample answer**Main body 2**

Moreover, tourists may understand other cultures more precisely and enjoy learning about it even more by experiencing other cultures. In many cases, people who travel overseas usually become interested in host country's culture, and even after they came back from their trips, they study about a certain culture deeply.

(95 words)

IELTS WRITING

2018년 6월 2일 문제 Sample answer**Conclusion**

In conclusion, I opine that international tourism makes people to understand other cultures better rather than being prejudiced. Thus, more people should be encouraged to travel other countries to broaden their horizon. (32 words)
